Short Description

Author DJ Geribo's talent for telling stories continues to expand and her latest collection in *Ten Storied Buildings*, much like her *Seven Storied Houses*, clearly demonstrates why the author's tagline is "Writing Gets Real."

Description

DJ Geribo's latest collection of short stories is filled with the drama, comedy, and tragedy experienced by the true-to-life characters the author creates. Don't be surprised if you feel like you know them personally - or, perhaps, see yourself - in her vivid depictions of everyday life.
