Short Description

Seven Storied Houses is a collection of short stories, each featuring a unique house where different people live their lives in wealth or hardship, with some of the richest lives lived in the poorest and most destitute situations. Evocative, humorous, and sometimes heart-wrenching, these poignant stories will leave the reader with ample food for thought long after they've put the book down.

Description

Author DJ Geribo's book, *Seven Storied Houses*, is a collection of short stories featuring a variety of homes and the people who live in them, from the wealthy but estranged couple living in a mansion to the disable boy cared for by a devoted and loving mother living in a trailer, each story will find you laughing or crying for the tragedy that is their lives.

Seven Storied Houses explores the concept of how a home can perfectly identify the people who live there or can wrongly label the souls struggling to get through each day, no matter if they are rich or poor. This collection of stories vividly told from multiple points of view exposes the truth about the lives that are lived inside.
